

OPT-IN FORM FOR SEWER SERVICE CONNECTION
Fall River Valley Community Services District Septic to Sewer Project

Fall River Valley Community Services District (“FRVCSD”) intends to extend the public sewer system to allow properties served by septic systems to connect to the public system (“Project”). Connection of private properties to FRVCSD’s public sewer line will be free, including all work on your private property, if the connection is done in conjunction with the Project. After the project is completed, you will be required to pay a monthly sewer bill in accordance with FRVCSD’s sewer rate schedule. Submit this form via mail with the pre-addressed stamped envelope, give it to a FRVCSD representative, or submit the electronic version on the FRVCSD website (www.frvcsd.org) to participate. This form does not guarantee that the Project will be completed; FRVCSD’s completion of the Project is contingent on receiving the required funding, and the Owner and Occupant’s cooperation in any FRVCSD requests and requirements as needed. Almost all properties within the project area will be required to support the project to qualify for the project funding.

Name: _____ Status: Property Owner: Occupant:

Street Address: _____ (“Property”)

Mailing Address: _____

Email Address: _____ Cell Phone: _____

Owner must check one box and sign to acknowledge and accept the conditions described below. All Owners must consent to the Project for the Property to be connected.

I **would** like my Property, described above, to be connected FRVCSD’s public sewer system as a part of the proposed Project. I understand all upfront construction costs, including those on my private property, are free to me; however, I will be required to pay a monthly sewer bill after the project is constructed. I also understand this service from FRVCSD is intended to protect the community against any future septic contamination. I agree to coordinate with FRVCSD to take all steps needed to abandon the septic system and hook up the Property to the public sewer. I agree to allow FRVCSD representatives to come onto the Property to perform this work. I agree to allow construction on my Property, limited to the work necessary to connect the structure(s) on my Property to the public sewer and abandon the existing septic system. I understand that FRVCSD will provide notice before Project commences on my Property.

I **would not** like my Property, described above, to be connected to the FRVCSD public sewer system as a part of the Project. I understand that if I would like to connect to the FRVCSD sewer system in the future, I will have to pay all costs and fees related to construction of the sewer connection.

Occupants must check the box and sign to acknowledge and accept the described conditions:

I agree that if the Owner of the Property, described above, authorizes FRVCSD to connect the Property to the public sewer, FRVCSD is authorized to enter the Property to abandon the septic system and hook the Property up to sewer. I agree to allow construction on the Property, limited to the work necessary to connect the structure(s) on the Property to the public sewer. I understand that FRVCSD will provide notice before Project commences on my Property.

I warrant that I have the authority to sign this agreement as the party indicated above.
