NEW BUSINESS:

- Consider adjusting wage scale for temporary seasonal employee (I) (D) (A)
 - o It was previously determined that anyone hired as a laborer or seasonal worker would be paid minimum wage. Right now, it is \$10.50/hr, by 2023 it will go up to \$15/hr, maybe .50 less for us.
 - o The advertisement for this position has only resulted in one application.
 - o People say they need more than \$10.50 per hour.
 - o Minimum wage is too constricting and there needs to be more of a scale for the GM to work with.
- Director Ontano suggests we use the Operator in Training classification for the temporary help, which already has an approved pay scale starting at \$13.75.
- Director Colby made a motion to hire temporary/seasonal help at the Operator in Training Classification. Director Gooch seconded, and the motion was passed unanimously with a vote of 4 ayes. (Gooch, Monath, Colby, Ontano)

Meeting adjourned at 8:20 PM.

Respectfully Submitted,

Bill Johnson, General Manager
